Subject: Correction to previous message

Hi all,

After talking with David Vanlandingham this morning, I am writing to correct an error I made in my 4/1/99 email message summarizing our conference call.

(Section A, point 3): Per David, one of the sites he was discussing on our call is near (not in) Shreveport, LA (the Longhorn Army Ammunition Plant).

Thanks to David for bringing it to my attention.

Please let me know if you have any questions.

Thank you,  
Catherine
